7. North Fork Complex	OR-UMF	Batten
8. Langille	WA-GPF	Hutton

Remarks:

An NPS helicopter is being placed in Southwest Oregon and has a shared response area of approximately 100 Nautical Miles within Northern California and Southwest Oregon. Order this resource through dispatch.

The intent of placement of this short-haul aircraft in Southwest Oregon is to respond to an “incident within an incident” where vertical insertion/extraction is needed. This resource is not intended to be a resource that allows you to modify suppression tactics.
